

ARM AI MODEL COMMUNITY LICENSE

This License Agreement ("**Agreement**") is made by and between Arm Limited, a company incorporated under the laws of England and Wales with its principal office at 110 Fulbourn Road, Cambridge, CB1 9NJ, United Kingdom ("**Arm**"), and you, the individual or entity exercising rights under this Agreement ("**Licensee**").

By using, copying, modifying, or distributing the Licensed Materials (as defined below), Licensee agrees to the terms of this Agreement.

1. DEFINITIONS

1.1 "**Licensed Materials**" means the AI model, including any associated training data, weights and parameters, sample code and data, and documentation, made available by Arm under this Agreement.

1.2 "**Licensee Product**" means any software, hardware, product, or service that incorporates, integrates, or makes use of the Licensed Materials.

1.3 "**Output**" means the content output of the Licensed Materials that results from operating or otherwise using the Licensed Materials.

2. LICENSE GRANT

Subject to the terms of this Agreement, Arm hereby grants to Licensee a worldwide, royalty-free, non-exclusive, sublicensable license to:

- (a) use, copy, and modify the Licensed Materials;
- (b) prepare derivative works of the Licensed Materials;
- (c) distribute, make available, and otherwise commercialize the Licensed Materials, in whole or in part, whether standalone or as incorporated into or used with a Licensee Product.

3. LICENSE RESTRICTIONS

3.1 Any distribution or making available of the Licensed Materials by Licensee, whether in whole or in part and whether in modified or unmodified form, must include:

- (a) the provisions of Clause 4 (Acceptable Use) as an enforceable provision in any agreement (e.g., license agreement, terms of use, etc.) governing the use and/or distribution of the Licensed Materials or Licensee Product and Licensee must provide notice to subsequent users Licensee distributes to that the Licensed Materials (and any derivatives, including any Licensee Products) are subject to the Acceptable Use provisions in Clause 4.
- (b) a copy of this License Agreement; and
- (c) all original copyright notices, disclaimers, and other proprietary notices contained in or attached to the Licensed Materials.

3.2 If the Licensed Materials are distributed in modified form, Licensee must clearly indicate that changes have been made and must not remove or obscure any original notices provided by Arm.

3.3 Licensee may apply additional or alternative terms and conditions to any modifications Licensee creates to the Licensed Materials pursuant to the license granted in Clause 1(a) of this Agreement. However, the Licensee's use, reproduction, modification, distribution, performance, and display of the original Licensed Materials must continue to comply with the terms of this Agreement. Any new or different terms applied to the modifications must not conflict with the terms set forth in this Agreement.

3.4 Except to the extent expressly permitted by applicable law notwithstanding this restriction, Licensee shall not reverse engineer, decompile, disassemble, or otherwise attempt to derive the underlying structure, architecture, weights, source code, or algorithms of the Licensed Materials, in whole or in part, including any modifications or derivative works thereof. This restriction applies regardless of the form in which the Licensed Materials are received or used.

4. ACCEPTABLE USE

Licensee shall not use the Licensed Materials:

- (a) in any manner that violates applicable laws or regulations, including but not limited to those relating to privacy, data protection, or the export of controlled technologies;
 - (b) to develop or deploy any system intended to operate or be used in connection with weapons, military systems, nuclear facilities, or life-support systems where failure could lead to loss of life or catastrophic damage;
 - (c) to generate or disseminate content that is unlawful, misleading, discriminatory, harassing, libelous, threatening, or otherwise harmful to individuals or groups;
 - (d) to create, train, or refine models that are primarily intended for surveillance, profiling, or automated decision-making that materially impacts individuals' rights or freedoms without appropriate safeguards;
 - (e) in any way that seeks to exploit, harm, or abuse minors or vulnerable populations;
 - (f) for the purpose of reverse engineering or attempting to extract underlying data from outputs, unless explicitly permitted by law.
- (a) Arm reserves the right to revoke or suspend Licensee's rights under this Agreement if Licensee is found to be using the Licensed Materials in violation of this Clause 4.

5. COMMUNITY CONTRIBUTIONS

5.1 Licensee may, at its discretion, submit to Arm, orally or in writing, suggestions, enhancements, modifications, derivative works, or other contributions relating to the Licensed Materials ("**Contributions**"). By submitting any Contribution, Licensee grants to Arm and its affiliates under Licensee and its affiliates (as applicable) intellectual property a perpetual, irrevocable, royalty free, non-exclusive, worldwide license to: (i) use, copy, modify, and create derivative works of the Contributions as part of any or all of the Licensed Materials and any other Arm product(s); (ii) sell, supply or otherwise distribute the whole or any part of the Contributions (and derivative works thereof) as part of any or all of the Licensed Materials and any other Arm product(s); and (iii) sublicense to third parties the foregoing rights, including the right to sublicense to further third parties. No right is granted by Licensee to Arm to sublicense Licensee and its affiliates (as applicable) intellectual property except to the extent that it is provided to Arm as Contributions and is embodied in any or all of the Licensed Materials and/or any other Arm product(s).

5.2 Except as expressly licensed to Arm herein, Licensee retains all right, title and interest in and to the Contributions provided by Licensee under this Agreement.

5.3 Licensee shall not knowingly give to Arm any Contributions (i) it has reason to believe is subject to any patent, copyright or other intellectual property claim or right of any third party; or (ii) subject to licence terms which seek to require any product incorporating or derived from such Contributions, or other intellectual property, to be licensed to or otherwise shared with any third party.

6. INTELLECTUAL PROPERTY

All right, title, and interest in and to the Licensed Materials, including all intellectual property rights therein, remain with Arm or its licensors.

This Agreement does not grant Licensee any right to use Arm's trademarks, names, or logos, or to imply that Arm supports or is connected with Licensee or endorses a Licensee Product in any way.

Except for the rights expressly granted herein, no other rights are granted by implication, estoppel, or otherwise.

Except to the extent any Output contains or incorporates Arm's intellectual property, Arm claims no rights in Output generated by Licensee or Licensee's users through use of the Licensed Materials or any derivative works of the Licensed Materials.

7. DISCLAIMER OF WARRANTIES

THE LICENSED MATERIALS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. ARM SPECIFICALLY DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND ANY WARRANTIES ARISING OUT OF COURSE OF DEALING OR USAGE OF TRADE.

WITHOUT LIMITING THE FOREGOING, ARM MAKES NO WARRANTY OR REPRESENTATION THAT THE LICENSED MATERIALS OR THEIR USE OR OUTPUT, INCLUDING ANY PREDICTIONS, ANALYSES, OR RESULTS PRODUCED BY THE LICENSED MATERIALS, WILL BE ACCURATE, COMPLETE, RELIABLE, ERROR-FREE, OR SUITABLE FOR ANY PARTICULAR PURPOSE OR APPLICATION.

7. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ARM OR ITS AFFILIATES BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER IN CONTRACT, TORT, PRODUCT LIABILITY, OR OTHERWISE UNLESS REQUIRED BY APPLICABLE LAW, OR THE USE OF OR INABILITY TO USE THE LICENSED MATERIALS OR ANY OUTPUT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

8. INDEMNITY

Licensee shall indemnify, defend, and hold harmless Arm and its affiliates, and their respective officers, directors, employees, and agents, from and against any and all claims, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or related to:

- (a) Licensee's use, modification, or distribution of the Licensed Materials, including any Output or derivative works;
- (b) any claim that a Contribution submitted by Licensee infringes or misappropriates the intellectual property rights of any third party.

Arm reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by Licensee, in which event Licensee shall cooperate with Arm in asserting any available defenses.

9. TERMINATION

This Agreement and the rights granted hereunder may be terminated by Arm upon Licensee's material breach of this Agreement.

If Licensee or any of its affiliates initiates or participates in any legal proceeding or claim (including a cross-claim or counterclaim) alleging that the Licensed Materials, or any portion thereof, infringes or misappropriates any intellectual property right owned or controlled by Licensee or its affiliates, then the licenses and rights granted to Licensee under this Agreement shall immediately terminate as of the date such claim is filed.

Upon termination, Licensee shall cease all use and distribution of the Licensed Materials and shall ensure all copies of the Licensed Materials in its possession are destroyed. Sections 3 through 7 of this Agreement shall survive termination.

10. GENERAL

10.1 This Agreement shall be governed by and construed in accordance with the laws of England and Wales, excluding its conflict of law rules.

10.2 This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements or understandings.

10.3 If any provision of this Agreement is held to be unenforceable, such provision shall be reformed to the extent necessary to make it enforceable, and the remaining provisions shall remain in full force and effect.
