

Committee on Sanitary and Phytosanitary Measures

NOTIFICATION

1.	Member to Agreement notifying: <u>UNITED STATES</u> If applicable, name of local government involved:
2.	Agency responsible: Environmental Protection Agency
3.	Products covered (tariff item number(s) as specified in national schedules deposited with the WTO. ICS numbers may be provided in addition, where applicable): Pesticides
4.	Title and number of pages of the notified document: Vinclozolin; Proposed Revocation of Tolerances for Deleted Uses (4 pages)
5.	Description of content: The US Environmental Protection Agency (EPA) is proposing the revocation of tolerances for uses of the fungicide Vinclozolin which were recently deleted from the US Vinclozolin labels.
6.	Objective and rationale: Continued registration for these uses was not supported by manufacturer.
7.	An international standard, guideline or recommendation does not exist [X]. If an international standard, guideline or recommendation exists, whenever possible, identify deviations: Vinclozolin Tolerances (maximum residue levels - MRLS) for several commodities are being revoked under the current US EPA action. However, MRLs on some of these commodities currently exist within the Codex Alimentarius.
8.	Relevant documents and language(s) in which these are available: 62 FR 45377, 27 August 1997; 40 CFR Part 180
9.	Proposed date of adoption: To be determined.
10.	Proposed date of entry into force: The effective date will be given upon publication of the final rule in the Federal Register.

11. Final date for comments: 27 October 1997

Agency or authority designated to handle comments: Environmental Protection Agency

12. Texts available from: National enquiry point [] or address, telephone number and E-mail address (if available) of other body:
